

Whig and Courier.

JOHN S. SAYWARD, Editor.

FRIDAY, JUNE 14, 1844.

Our cause is just—our union perfect.

WHIG NOMINATIONS.

FOR PRESIDENT,
HENRY CLAY,
OF KENTUCKY.

FOR VICE PRESIDENT,
THEODORE FRELINGHUYSEN,
OF NEW JERSEY.

SEE FIRST PAGE.

WHIG CAUCUS.

THE Whigs of the City of Bangor are requested one and all to assemble at the City Hall on Thursday evening June 20th, at half past seven o'clock, P. M. for the purpose of selecting Delegates to the State Convention to be held at Augusta on the 5th inst. Per order of City Com.

Meeting of the Clay Club.

On Wednesday evening there was a thronged, enthusiastic and highly satisfactory meeting of the Clay Club at the City Hall.

The meeting was opened by the singing of a new and witty song by a select choir, with much taste and the happiest effect, the audience greeting the several keen points in the song with spontaneous rounds of applause.

William Paine, Esq. introduced to the audience Lucius H. Chandler, Esq. of Thomaston, who addressed the meeting in an eloquent manner, introducing several apt anecdotes, and making a very pleasant and effective speech, well calculated to arrest attention and fasten the truth in the mind. He was frequently greeted with applause testifying beyond all mistake to the pleasant mood in which he had brought his audience.

At the conclusion of the address a noble whig song was sung, the audience at large joining in the chorus with true patriotic zeal and energy. Three cheers were then given for Clay and Frelinghuysen and the meeting separated.

The Gazette yesterday contained a semi-editorial article imputing a system of tyranny to the whigs by charging two individuals, one in Bangor and the other in Ellsworth, with discharging workmen from their employ because they differed from them in politics. This course is so different from the course generally pursued by the whigs that we doubt the story in whole and in its parts. So far from having any just application to the whigs generally it is a vile calumny upon them, and undoubtedly put forth to prejudice simple minds against the whigs.

We are reminded by this effort of the Gazette, of the resolution passed at a Liberty party Convention in Piscataquis county, pledging the party not to subscribe for or in any way support any papers that do not advocate the cause of that party.

There is something new and quite refreshing in the manner in which the locus has been opened, on their part, the presidential campaign. Every thing is open to the eye of the world, the more display the better, this comes of the divisions which have lacerated and torn that party for months past. They have escaped the calamity into which they came near falling of breaking up their National Convention without a nomination, and now to give hope to each other every leader seems desirous of making the most possible display in all the movements of the party and to engage largely in the business of bragging. We like this vastly better than the sly, secret underhand, out of the way manner of conducting political affairs in which they often indulge. This open course gives new energy to the Whigs and this is what we like. A full vote is a Whig victory. The Democracy of numbers is with the Whigs.

The Mercury yesterday morning came out with a passionate article against those Senators who voted against the infamous Tyler Treaty for the annexation of Texas, and the assumption of Texas debts now said to amount to more than twenty millions of dollars! The Mercury feels bad and in this case we are quite willing it should.

The editor of the Mercury was so wrapped up in the annexation of Texas that he mistook the National Salute of the Clay Club on raising the National Banner at their Head Quarters, for a glorification on the rejection of the Treaty! The late John Holmes' story of the Gal with the new gown finely applies to this case.

On Wednesday a little child of Major Orr Oakman of Corinth only fifteen months old was killed by a loaded cart passing over his body and head causing death in about twenty minutes. The cart was loaded with a weight of about fifteen hundred pounds, and the broad wheels in passing over and crushing the vitals of the child did not break the skin.

We return our thanks most heartily to Hon. George Evans, Luther Severance, Freeman H. Morse and Hannibal Hamlin for various public documents.

A Question.

To the Editor of the Whig & Courier.

I wish to inquire of the city authorities of licensing board where New England Rum can be obtained in case of sickness? A lady in my family was refused the article by one of the druggists in this city a day or two since, who has supplied her heretofore, without any question being asked, and as it is highly necessary she should be supplied from some source, being afflicted with a troublesome complaint, she is anxious to know where it may be obtained? S.

The above communication has been handed us for publication as a practical matter. It appears that no one is licensed in the city to sell distilled spirits for any purpose, medicinal or mechanical. We think the Board made a great mistake in neglecting to grant some licenses to those who petitioned. It is incontestable that alcoholic liquors are needed as medicinal and mechanical agents. Many families when members of it are in poor health as in the case referred to in the communication, have a frequent use for alcohol in some of its forms. They wish to obtain it lawfully. Why should they not be allowed to do so? Why bring reproach upon the cause of temperance by neglecting and that so long continued as to amount to a refusal when both by word and act the necessity of the use of the article is admitted. Plainly the trade is not one to be suppressed everywhere for all purposes, but so regulated as to protect in the greatest possible degree the community from the temptations and evils of drunkenness.

Every little tippling shop that curries our city and every seller of liquor now has the advantage of saying that some person must supply the article for necessary use, and if apothecaries will not sell it, they must! Let the license board adopt some plan for supplying the necessary wants of the community, and then do the best they can towards protecting the community from illegal traffic in the dangerous and destructive poison when used as a beverage.

Court Courier.

The Court were engaged for a considerable portion of the days, Wednesday and yesterday in the trial of our old friend Smith of our market on an indictment preferred against him for keeping a noisy and unwholesome establishment on his premises near the Levant road, to the great annoyance of his neighbors and travelers passing by. The erection complained of as a nuisance is the slaughter house used by him in supplying the wants of his customers as presented at his stall in Kenduskeag Market. Much testimony as to the true character of the establishment and the manner in which it was conducted and managed was introduced by both parties which with the ingenious arguments of counsel had the effect so to confuse the jury that after a long session they found themselves unable to agree and were accordingly discharged. Kent & Cutting for defendant.

Mr. Murdoch's Lecture

On the Human Voice which was to have been given last evening, in the Vestry of Mr. Pomroy's Church has been postponed until this evening at the same place. To commence at 8 o'clock. The public are invited to attend.

The Portland Advertiser says that a gentleman who resides in Plumb street, in that city, was aroused from his sleep on Friday night last, and informed that some person had broken into the house. On going below he discovered and collared the intruder—who could give no satisfactory account of himself. He had got in by the sitting room window, had broken one of the tables to pieces, and turned the rest of the furniture topsy turvy. He appeared to be beside himself. He was shown to the door, and suffered to depart unmolested.

The Methodists in Norfolk, Virginia, held a meeting on Thursday evening last, to take into consideration the action of the General Conference in relation to Bishop Andrew, and a committee of nine was appointed to prepare resolutions on the subject, for publication in the New York and Richmond Christian Advocate.

An Election for Charter Officers of Norwich Ct. came off on Monday resulted in the election of the entire Whig Ticket, Gurdon Chapman, Mayor, by a majority of more than two to one.

PARLEY'S CABINET LIBRARY—LIGHT AND SHADOWS OF ASIATIC HISTORY. Part I.

Messrs Smith & Fenno have received the first part of half volume of Light and Shadows of Asiatic History in the series of volumes composing Parley's Cabinet Library. This Library the better it is known the more it is valued. We know of no books better adapted for general use among the youth of our country, and for all persons who have not the use of a large library.

The Lady's Book for July has been laid upon our table by Mr Bugbee who has received his usual supply of this charming work, and of various other periodicals.

Fire in Beverly.

The Salem Mercury informs us that at 5, P. M., on Tuesday, a fire broke out in the cabinet maker's shop of Capt Ezra Ellingwood, which was totally consumed, as was also the beautiful and spacious dwelling house and out-buildings of Dr Kittredge. A considerable portion of the furniture in the shop was saved. Loss not stated.

The first parish congregational meeting house, (Rev Mr Thayer's) took fire several times, but was preserved by great effort. Several of the neighboring dwelling houses, also, were in great danger, but were preserved without serious injury.

A very painful circumstance was mentioned in the crowd, which we presume to be correct. It was stated that the wife of Captain Ellingwood was laying dead in his house, when the fire broke out, and that when the building became endangered, as it was very much, being next to Dr. Kittredge's, it became necessary to remove the body.

Mr Benton's Plan of Annexation.

In the presence of a crowded Senate, on Monday, Mr Benton rose, and in a speech of two hours presented his project for the Annexation of Texas.

The provisions of his Bill.

1st. Annexation with the consent of Mexico, to be obtained by negotiation with Mexico, if possible. If this assent cannot be obtained, then he proposes to refer the subject to the two Houses of Congress in order that the question should be decided by the Constitutional authorities.
2d. He proposed the assent of Texas to the Union also, and agreed that there was power with Texas to negotiate for giving up Texas to us, provided we had the assent of Mexico.
3d. The Rio del Norte for a boundary, &c.
4th, and most important, the question of slavery settled preliminary to the admission.

CONGRESS.

In the Senate, on Monday after reading of the Journal of Saturday, Mr Benton introduced his bill providing for the annexation of Texas; and was dissenting its merits at the time our paper went to press.

In the House, Mr Woodard presented the proceedings of a meeting from citizens of town of Lancaster, South Carolina, in favor of the annexation of Texas, which was laid upon the table.

Mr Seymour of New York, presented a remonstrance from citizens of that State against the annexation of Texas, which was laid upon the table.

Mr Feasenden Ellis moved to suspend the rules for the House to resolve itself into a Committee of the whole on the State of the Union, which was decided in the negative.

It is said that a large number of the Kinderhook's friends at Baltimore avowed their motto to be: "Van Buren or nobody." They ought to be tolerably well satisfied, as they have nearly got one branch of the alternative. If Polk isn't "nobody," he is the next thing to it. [Louisville Journal.]

No papers South of Providence received by the Mail last evening.

We shall endeavor to give "M" a place tomorrow.

The Washingtonian Committee of the County of Penobscot, having on the 22d day of Feb. last resolved that a mass meeting of Washingtonians and others, the friends of Temperance, be held at Old Town in the month of June then next, and the subscribers having been chosen a Committee to designate the day for such meeting, do hereby give notice that Monday the 17th day of June inst, at 10 o'clock A. M. will be the day and hour therefor. It is hoped and expected that brethren in every part of the country will make their principles manifest by their attendance.

HEBRON LUCE, EDWARD HOLT, BENJ. SWETT, } Committee.

WRIGHT'S
Indian Vegetable Pills.
The True Character of Counterfeiters and
Sellers of Counterfeit Medicines.
NO Medicine has been introduced to the
American Public, whose virtues have been
more cheerfully and universally acknowledged by
its vast popularity, and extensive circulation, than
"WRIGHT'S INDIAN VEGETABLE
PILLS."

To discount upon their various virtues at this late
season would be a work of supererogation, since
few who peruse this article will be found unac-
quainted with the widely circulated proofs of the
real excellence of the Medicine, to which many
will be ready to add the testimonials of their own
experience. But if further proof were needed of
the value of the remedy it might be found in the
fact that no Medicine in the market has been so
shamelessly and repeatedly counterfeited. Ignor-
ant, envious, avaricious, and unprincipled men,
have in different places, manufactured a spurious
pill, bearing a superficial resemblance to the true
article, but composed either of impotent or deleter-
ious ingredients, which they have sought to foist
upon the public as the veritable

Indian Vegetable Pills.
These fraudulent Swindlers could never pass off
their vile wares upon the public but for the com-
mence and assistance of self-styled respectable
Druggists, who, for the sake of a little "filthy
lucre," lend themselves to the monstrous and un-
hallowed system of imposition. The counterfeiter
of a popular medicine is more criminal than a coun-
terfeiter of current money. The injuries done by
the latter sink to nothing in comparison with those
inflicted upon society by the former. We might
paint him wringing the mite from the hard hand
of invalid penury which is extended for the boon of
health, and receives instead the vile drug that pro-
tracts and aggravates disease, or to view it in its
true aspect, suffers it, rage unchecked. How
melancholy is the "ction that thousands may
have been hurried to the grave by having a coun-
terfeit substituted for the true medicine; who but
for the venal fraud might now be living in high
health, the delight and hope of the social circle.
All classes are interested in putting down these
vile Counterfeiters.

Let the Stores where they are sold
be marked and Shunned.
Let the virtuous indignation of the community
administer to all concerned in these unfair prac-
tices a general and withering rebuke.

CAUTION:
The public will please observe that the genuine
Medicine has the following wording on the sides of
the boxes.
"WRIGHT'S INDIAN VEGETABLE
PILLS."
—Indian Purgative—
OF THE NORTH AMERICAN COLLEGE
OF HEALTH.

And also, around the border of a label will be
found in small type, "Entered according to Act of
Congress in the year 1840, by William Wright,
in the Clerk's Office of the District Court of the
Eastern District of Pennsylvania."
It will be further observed that the printed di-
rection for using the Medicine, which accompanies
each box, are also entered according to Act of
Congress; and the same form will be found at the
bottom of the first page.

The slightest attention to the above few particu-
lars will serve to protect the purchaser from fraud,
and save the lives of those who may otherwise be
endangered by using a Counterfeit Medicine.
The public will also remember, that all those
who sell the genuine Indian Vegetable Pills are
provided with a certificate of Agency, signed by
WILLIAM WRIGHT, Vice President
Of the American College of Health,
and that Pedlars are never in any case allowed to
sell the genuine article. All traveling Agents will
be provided with a certificate of Agency as above
described; and those who cannot show one will be
known as base imposters.

The regularly appointed Agents can receive
their supplies of the above popular pills, as here-
tofore, from the only Office and General Depot for
the New England States.

WHITWELL'S JAUNDICE
TEMPERANCE BITTERS
OR THE PEOPLE'S BEST REMEDY.
FOR the cure of Jaundice, Fever and Ague, De-
bility, Worms, etc. etc.
TO COUNTRY MERCHANTS.
Do you wish to promote the health of your cus-
tomers? Do you wish to confirm their good habits,
and afford them the highest satisfaction?
Do you wish to make fifty per cent on your in-
vestment without the smallest risk? Then pur-
chase at least one box of Whitwell's Temperance
Bitters.
Evidence of the good qualities of this compound.
Dr. Hooper, in his Medical Dictionary, in allusion
to a prominent ingredient in these Bitters, says—
"It has been found very effectual in restoring di-
gestion, expelling flatulence, and removing costive-
ness, so common in sedentary life."
Dr. Lettison, the most scientific physician in Eu-
rope, says, on the same page—"In hysterical affec-
tions, it affords more vigor and relief than any other
article before known."
Dr. Bigelow, in the sequel to the U. U. Pharma-
copeia, says, page 311, in allusion to the same article
"It is one of the most valuable of the Bitter Tonics
It has an invigorating effect on the stomach and
bowels, and is peculiarly serviceable in dyspepsia."
These Bitters contain as large a proportion of the
Extracts of
SARSAPARILLA AND TOMATOES,
As any bitters in the United States, and rank im-
measurably above all others in existence for creat-
ing an appetite, reviving the spirits, and strength-
ening the whole system.
Why will you pay a high price for an article,
when you can have every medicine suitable for such
diseases to be found in the four quarters of the
globe, for one quarter of the price. Orders have
been received from nearly all sections of the Uni-
ted States, from British America, and the West
Indies. This is not surprising, for to prefer any in-
flammatory Alcoholic compound to this mild and
pleasant decoction, would prove the consumers far
behind the age in good taste, good habits and even
civilization.
[Dealers will find it for their interest to pur-
chase directly from the proprietors.
Sold at the low price of 25 cents per pint bottle,
or \$2 per dozen.

HOMEPATHY!! HOMEPATHY!!

power and efficacy entirely to the chemical combi-
nation of the most simple, well known and long
tried articles.
**COSTIVENESS IS THE PARENT OF MANY DIS-
EASES.**
And require some gentle cathartic medicine like
the Homeopathic Pills.
They are used for the same complaints as the
Temperance Bitters, and should always be used to-
gether, the Pills being a gentle cathartic, and the
Bitters the best tonic, or strengthener in existence.
The Pills are 25 cents per box, or \$2 per dozen.

DR. TAYLOR'S BALSAM OF
LIVERWORT.
PRICE REDUCED.
DR. TAYLOR'S Balsam of Liverwort, from
375 Bowery, New York—for the cure of
Coughs, Colds, Catarrhs, Asthma, Soreness of the
Chest, Pain in the side and Breast, raising of
Blood, Liver complaint, Bronchitis, and all those
affections of Throat and Lungs which are a source
of so much suffering and unrelieved, so often ter-
minate in Consumption—this remedy is highly and
justly distinguished. It is purely vegetable, mild
and gentle in its effects upon the system, and can
be taken in the most delicate cases, with safety as
well as utility. Physicians, aware of its medicinal
properties, and witnessing its effects even in ex-
treme and in some instances apparently almost hope-
less cases, often prescribe it in their practice, both
as a palliative and a remedy, and with the Medical
Faculty generally it has met with great approbation.

CONSUMPTION.—The following remarks were taken
from the last number of the Medical Magazine:
"The surprising effect produced by the genuine
Dr. Taylor's Balsam of Liverwort, made at 375
Bowery, in consumptive cases, cannot fail exciting a
deep and thrilling interest throughout the world.
We have so long considered this disease (consump-
tion) incurable, that it is difficult to credit our senses
when we see persons, evidently consumptive,
restored to health. Yet it is a fact of daily occur-
rence."
Certificates from the highest and most respecta-
ble sources, or persons who have been either
greatly relieved by it, or entirely recovered from
affections of the Lungs and Liver, could be furnis-
hed in abundance, but we insert only the following
CERTIFICATE

Liver Complaint and General Debility. I was given
up by two physicians, and told to prepare for
death. I was so weak I could not raise my hand to
my head. I was in this low state, when a friend
sent me a bottle of Dr. Taylor's Balsam of Liver-
wort, from 375 Bowery, and before I had used up
the bottle, I was able to sit up in bed. By the fur-
ther use I have completely regained my health.
GEO. WELLS, 23 John-st.

For a common cold and cough, this is one of the
very best remedies ever discovered.

afforded; therefore be careful to get the genuine,

THESE Bitters are particularly serviceable when used

diseased state of that organ; such as loss of appetite,
foulness of the stomach, costiveness, dizziness and head-
ache, Jaundice, Asthma, Dropsy, Rheumatism, Indiges-
tion, Dyspepsia, Flatulency, and sinking in the stomach,
eruptions on the face and neck, and are an excellent pur-

fully administered.

VEGETABLE BILIOUS PILLS.
The reputation of these Pills stands unrivalled for the
cure of nervous or Bilious headache, costiveness, indi-

after they have thoroughly operated upon the stomach

strengthen and give new life and vigor to the digestive
organ, &c.
